Dear Fabiola Ráquel,

Re: Discounted tuition fees for HONDUFUTURO sponsored students

The University of Warwick and HONDUFUTURO have a longstanding collaborative agreement through which the University has welcomed a significant number of outstanding HONDUFUTURO beneficiaries into a wide variety of academic disciplines. These scholars have actively contributed and thrived as part of our student community.

In recognition of this long standing collaboration, a number of academic departments within the University have been providing substantial additional financial support to HONDUFUTURO beneficiaries. In particular, the departments of WMG (Warwick Manufacturing Group) - the largest multi-disciplinary education and research department in the Faculty of Science, and WBS (Warwick Business School) - one of the largest business schools in Europe.

Both departments would like to formalise the financial support being provided through departmental tuition fee scholarships to HONDUFUTURO scholars by offering the following:

1. WMG at the University of Warwick will provide scholarships worth 50% of the tuition fees to all HONDUFUTURO beneficiaries studying on full-time Masters courses within the WMG Department:
 - [MSc Cyber Security Engineering](#)
 - [MSc Cyber Security and Management](#)
 - [MSc e-Business Management](#)
 - [MSc Engineering Business Management](#)
 - [MSc Healthcare Operational Management](#)
 - [MSc Innovation and Entrepreneurship](#)

 - [MSc Programme and Project Management](#)
 - [MSc Service Management and Design](#)
 - [MSc Smart, Connected and Autonomous Vehicles](#)
 - [MSc Sustainable Automotive Engineering](#)
 - [MSc Supply Chain and Logistics Management](#)

2. Warwick Business School will provide scholarships of 50% of the tuition fees to all HONDUFUTURO beneficiaries studying on full-time Masters courses (including full time MBA) within the Warwick Business School:

- MSc Business with Accounting & Finance
- MSc Business with Consulting
- MSc Business with Marketing
- MSc Business with Operations Management
- MSc International Business
- MSc Business Analytics
- MSc Management
- MSc Human Resource Management & Employment Relations
- MSc Management of Information Systems & Digital Innovation
- MSc Marketing & Strategy
- MSc Finance

3. Additionally, the University of Warwick will provide scholarships worth 20% of the tuition fees for HONDUFUTURO beneficiaries studying on:
- a. any other Master's courses across the University
 - b. any PhD programme at the University.

In order to be eligible for these awards, scholars should have an unconditional offer of a place on full time postgraduate taught or research course delivered at the University of Warwick for entry in 2019/20, 2020/21 or 2021/22.

A comprehensive list of Warwick's masters programmes can be found here:
<https://warwick.ac.uk/study/postgraduate/>.

Tuition fees are published in advance and can be viewed at:
<https://warwick.ac.uk/services/academicoffice/finance/fees/postgraduatefees>

There is no restriction on the number of HONDUFUTURO beneficiaries joining any programme.

We very much look forward to continuing our strong working relationship with HONDUFUTURO to help enable the brightest Honduran students fulfil their potential through Masters and PhD studies at the University of Warwick.

Yours Sincerely,

Dr. Chris Twine
Academic Registrar
