Te Herenga Waka – Victoria University of Wellington (VUW) and HonduFuturo, share an interest in strengthening bilateral cooperation in the field of education between Honduras and VUW and promoting stronger ties between the two institutions to increase the financial support available for graduate studies of Honduran students.

The purpose of this agreement is to foster cooperation and enhance the links between the two institutions through the provision of shared financing for talented Honduran students admitted to residential graduate degree programs at VUW, within the framework of a joint Graduate Loan-Scholarship program.

The joint Graduate Loan-Scholarship Program will operate as follows:

1. Students in Honduras interested in this joint Graduate Loan-Scholarship Program will seek admission to the residential graduate degree programs offered by VUW, following the normal application procedures and meeting all the standard admissions requirements (including official language tests) established by VUW.
2. Students admitted to residential graduate degree programs offered by VUW will submit a Loan-Scholarship application to HonduFuturo, following the normal application procedures and meeting all the standard requirements established by HonduFuturo.

4. VUW will provide an OPEN number of tuition scholarships equivalent to twenty per cent (20%) of tuition fees discount per year up to 240 points (representing the first two years of study), to eligible candidates selected by HonduFuturo. For clarity, this discount does not apply to masters study by research or thesis only. Eligible students who enrol in a PhD at the University will be charged at the New Zealand domestic tuition fee rate.
5. VUW will offer this financial support to VUW master's students for a maximum period of two consecutive academic years.
6. HonduFuturo will provide the remainder of the tuition, fees, living allowance and will cover other related costs, in accordance with its policies and procedures, i.e. up to USD 25,000 annually for a maximum financing of two years, or USD 50,000 total.

7. The students are responsible for obtaining financial resources to cover other costs (that are not included in this Loan-Scholarship agreement) related to their program of study.
8. Each institution will designate a coordinator to implement and monitor this joint Graduate Loan-Scholarship Program. In particular, the designated coordinators will be responsible for ensuring:

- a) that VUW and HonduFuturo provide prospective Honduran students with information on their programs of interest and guidance on how to apply to VUW
- b) that VUW provides HonduFuturo with all the relevant promotional materials and brochures on the different graduate degree programs at VUW to encourage interest among prospective Honduran students
- c) that VUW provides all Honduran students admitted to their residential graduate degree programs information on the Loan-Scholarship Program of HonduFuturo and encourages these students to contact and submit an application to HonduFuturo
- d) that HonduFuturo informs VUW of successful candidates by sending the list of Honduran students admitted to VUW and selected as beneficiaries of the Loan-Scholarship Program of HonduFuturo
- e) that VUW will select from the list mentioned in (d), the students who will be granted the university scholarship mentioned in Number 4, when the number of joint students is limited. The University will then inform HonduFuturo of this decision.
- f) that HonduFuturo provides VUW with institutional information on HonduFuturo and pertinent details on its Loan-Scholarship Program and the payment scheme (see Appendix I) and that the designated coordinator of VUW communicates this information to the relevant authorities of VUW (i.e. bursars and student accounts offices)
- g) that both institutions make the necessary financial arrangements for confirmed recipients
- h) that both institutions have the obligation to inform the other party of any change in the designated coordinator or signatory in charge of this agreement.

2. The applicants for the Loan-Scholarship determine the amount to be requested from HonduFuturo in accordance with HonduFuturo's policies and procedures.
3. Successful applicants (beneficiaries) of this program can use the Loan-Scholarship to cover the full or partial costs of their graduate studies abroad.

However, HonduFuturo's beneficiaries have the obligation to assume any discrepancy arising from foreign exchange fluctuations, foreign exchange or transfer costs.

The online application becomes available every year by mid-February and applicants can start complying with documentary requirements until April 30th. Results are published between the last two weeks of June each year.
6. HonduFuturo notifies partner universities immediately regarding the results of the selection process by sending them the list of HonduFuturo's beneficiaries admitted to their graduate degree programs.
7. Once students are selected and notified as beneficiaries of HonduFuturo, the latter arranges a meeting with the students to explain in detail the terms and conditions of the Loan-Scholarship.   10. The beneficiaries are responsible for obtaining financial resources to cover the costs that are not included in this Loan-Scholarship agreement related to their program of study.
  11. This loan converts into a partial scholarship if the student returns to reside in Honduras for a minimum pre-established period. In order to qualify for the scholarship 40% waiver of the loan (those pursuing postgraduate degrees in management or MBA programs are awarded only 20% scholarship of the loaned amount), students must accomplish the following three requirements:
